West Heath School

During the week, our beautiful Old House is home to West Heath School, an outstanding independent day and boarding school for pupils age 10-20 with special educational needs. Proceeds from weddings and parties go to West Heath School's bursary fund. This fund has helped to support young people with special educational needs in accessing the appropriate educational provisions for the previous twelve years.

We are proud to say that West Heath Weddings has assisted vulnerable students in gaining better chances in their future lives. As well as a stunning setting, you can also be proud that your special day is helping children get the help and support they need.
